

Dear Families of PS 221 NORTH HILLS~

Happy to introduce myself as Teresa Kirchhofer, the new PARENT COORDINATOR at this excellent educational institution.

I hope to be an advocate for your interests and needs as an involved and helpful parent coordinator with fresh, interactive approaches.

I am excited to get to know many of you and your children during conversations, meetings and school events and invite you to please stop by the main office to say "Hello" and let me know how I can be of service.

My background in communications and creating special events as well as parent perspective (currently having children in elementary school) will enable me to understand and experience your concerns.

Please let me know of any topics you might be interested in for workshops or events at TKirchhofer@schools.nyc.gov.

Warmest wishes for a wonderful 2017-2018 year together!

All best,

Teresa Kirchhofer, P.S. 221 Parent Coordinator
